ABOUT ME

Results-driven Digital Marketing Specialist skilled in paid advertising, SEO, social media marketing, and content strategy. Experienced in optimizing campaigns, improving online visibility, and developing user-friendly websites to support business growth.

WORK EXPERIENCE

Digital Marketing & Creative Content Specialist

- Plan and execute digital marketing strategies to improve brand visibility, audience engagement, and campaign performance.
- Manage social media platforms, develop content calendars, and create engaging content aligned with brand goals.
- Set up, manage, and optimize Meta Ads and Google Ads campaigns based on campaign objectives, audience targeting, and performance data.
- Conduct keyword research, implement on-page SEO strategies, and optimize website content to improve organic search visibility.
- Develop creative marketing assets, including promotional graphics, video content, and social media creatives.
- Monitor campaign metrics, analyze performance data, and identify opportunities for continuous improvement.
- Research target audiences, competitors, and market trends to support data-driven marketing decisions.

Web Design & Development

- Design and develop responsive, user-friendly websites tailored to business goals and brand identity.
- Build SEO-friendly websites and high-converting landing pages to improve online visibility and lead generation.
- Optimize website speed, mobile responsiveness, and user experience for better performance.
- Develop and maintain website content, service pages, blogs, and portfolio sections using modern web technologies.
